G-2 Summary # 100, April 1947
971st CIC Detachment, Korea

Interrogation of graduates of the Hyesanjin Espionage School of North Korea, 9 July 1946 revealed that the school had an enrollment of around 300 in Feb. 1946 increasing to about 600 during the next month.

CIC file 14-00-35

There were four Soviet instructors and one Korean instructor.

The course of study lasted about 4 weeks and included methods of collecting information, sabotage and political subjects.

All students at the school were tattooed with the mark of the Communist Party of North Korea which served as a passport in Communist territory.
